## MINUTES BOARD MEETING

Minutes of the proceedings at the meeting of the managing board of **Almatis B.V.**, a private company with limited liability incorporated under the laws of the Netherlands with corporate seat in Rotterdam, the Netherlands, and having its address at Theemsweg 30, 3197 KM Botlek Rotterdam, the Netherlands, (the "**Company**"), which meeting was held by telephone on the twenty-ninth day of April, 2010 at 16.30 hours CET.

The meeting appointed Remco de Jong as Chairman and Pieter Eduard Post as Secretary of the meeting.

The Chairman opened the meeting and recorded that the following managing directors were present:

- (a) Remco de Jong, and
- (b) Pieter Eduard Post,

together forming the entire managing board of the Company.

Then, having been presented by the Almatis group (the "**Group**") executive management and the Company's financial and legal advisors with materials regarding the liabilities and liquidity of the Company, the strategic alternatives available to the Company and the impact of the foregoing on the Company, its enterprise and its stakeholders, having reviewed, considered and discussed these materials and having had the opportunity to consult with the Company's financial and legal advisors, the managing board considered and discussed the current status, liabilities and liquidity of the Company and considered fully each of the strategic alternatives available to the Company in order to restructure its debt and the debt of the Group, including the high yield refinancing proposal presented by DIC.

With regard to the latter proposal, the managing board considered and discussed the current status thereof on the basis of a "Note of discussions with DIC regarding proposed alternative restructuring proposal and refinancing of Almatis first lien debt (24 to 28 April 2010)", a memorandum on the "Current status of discussions with DIC regarding alternative restructuring proposal" dated 29 April 2010 and a financial modelling and analysis of the DIC High Yield Bond proposal dated 28 April 2010, all three prepared by Close Brothers Corporate Finance Limited, the Company's financial advisor, which had been provided to the managing board prior to the managing board meeting. The managing board adopted the conclusions set out in the aforementioned documents and concluded, in accordance therewith, that the DIC proposal did not amount to a sufficiently credible and viable alternative

restructuring option.

In that light, the managing board again considered and discussed the proposal of a majority of the first lien senior lenders and the hedge counterparties under the credit facilities of the Group for a restructuring of the debt of the Company and the other Group companies encompassed in the Plan Support Agreement and its attachments (the "PSA") which has been entered into by the Company on 14 April 2010. By entering into the PSA, the Company committed itself to supporting the Plan set out therein and commencing chapter 11 cases as soon as possible.

Furthermore, the managing board considered and discussed the most recent Valuation Analysis Materials, dated 22 April 2010, received by it from the Company's investment banker and financial advisor Moelis & Company. The managing board took note that according to Moelis' report, the enterprise value range of the Group is currently approximately \$510 – \$570 million (with a mid-point of \$540 million). This means that the value of the Group breaks squarely in the first lien senior debt.

The managing board took note that, as a result of the vote solicitation proceedings initiated pursuant to the resolutions adopted in the managing board meeting on 13 April 2010, over 61% of the creditors entitled to vote on the Plan had voted in favour thereof. As only the votes actually received count, this means that 100% has currently voted in favour, no votes against. As an important point, the managing board noted that the members of the senior co-ordinating committee had also voted in favour of the Plan and that they, as had become clear from discussions with the senior co-comm members and their legal counsel in the days preceding the managing board meeting and lastly immediately prior to the managing board meeting, shared the conclusion that the DIC refinancing proposal did not represent a viable restructuring option and was highly unlikely to timely mature sufficiently to attain such a status. Accordingly, the senior co-comm members had expressed as their strong view that the Company should live up to its obligations under the PSA and file a chapter 11 case without further delay.

The managing board then discussed and considered:

- (a) a draft of a Deed of Amendment and Restatement between the Company and DIC Almatris Bidco B.V. whereby that certain Bilateral Loan Agreement dated 20 December 2007 between the Company and DIC Almatris Bidco B.V. is amended and restated; and
- (b) a draft of a Contribution and Assignment Agreement between the Company and certain of its affiliates pursuant to which DIC Almatris Bidco B.V., acting in its capacity of shareholder of Almatris Holding 3 B.V., makes an informal capital contribution to the share capital of Almatris Holding 3 B.V.

The managing board reviewed and considered the proposed term sheets for the Key Employee Incentive Plan and the Key Senior Employee Incentive Plan which are attached to the PSA (the "KEIP Plans"). Whereas the KEIP Plans have been approved by the signatories to the PSA and the managing board has determined that the KEIP Plans are necessary to properly incentivise the employees to which they relate, it is desirable and in the best interest of the Company, its enterprise and its stakeholders that the Company enters into and performs the KEIP Plans.

Finally, the managing board reviewed, considered and discussed the letter from The Committee of Mezzanine and Junior Mezzanine Lenders to (among others) the directors of the Company and the letter from DIC to the Senior Lenders to the Almatris Group with a copy to the "Management Board Members of Almatris", both dated 28 April 2010, which had been provided to the managing board prior to the managing board meeting.

Pursuant to the above, the Chairman proposed the following resolutions:

- 1 The plan of reorganisation contemplated by the Commercial Term Sheet attached to the Plan Support Agreement represents the best restructuring alternative available to the Company. It is desirable and in the best interest of the Company, its enterprise and its stakeholders that the Company performs the Plan Support Agreement and files or causes to be filed a voluntary petition for relief under the provisions of chapter 11 of title 11 of the United States Code (the "**US Bankruptcy Code**").
- 2 It is desirable and in the best interest of the Company, its enterprise and its stakeholders that the Company enters into and performs the Deed of Amendment and Restatement and the Contribution and Assignment Agreement.
