**AMENDED AND RESTATED LIST OF CREDITORS
HOLDING 20 LARGEST UNSECURED CLAIMS**

Set forth below is an amended and restated list of creditors (the “List of Creditors”) holding the twenty (20) largest unsecured claims against Exide Technologies (the “Debtor”), as of approximately June 6, 2013. This list has been prepared based upon the books and records of the Debtor. The information presented in the list below shall not constitute an admission by, nor is it binding on, the Debtor.

This List of Creditors is prepared in accordance with Fed. R. Bankr. P. 1007(d) for filing in this chapter 11 case. This List of Creditors does not include (1) persons who come within the definition of “insider” set forth in 11 U.S.C. § 101 or (2) secured creditors unless the value of the collateral is such that the unsecured deficiency places the creditor among the holders of the largest unsecured claims.

¹ The last four digits of the Debtor’s taxpayer identification number are 2730. The Debtor’s corporate headquarters are located at 13000 Deerfield Parkway, Building 200, Milton, Georgia 30004.

² Claim amounts may be subject to customary offsets, rebates, discounts, reconciliations, credits, and adjustments, which are not reflected on this schedule. Certain amounts include open unvouchered receipts, which may ultimately be adjusted on account of setoffs, returns, or other factors.

³ At the time the List of Creditors Holding 20 Largest Unsecured Claims was filed on June 10, 2013, the Debtor understood that Wilmington Trust, National Association, had replaced U.S. Bank Corporate Trust Services as the indenture trustee for the Debtor's floating rate convertible senior subordinated notes. The Debtor has since been informed that such substitution never occurred. The listing of U.S. Bank Corporate Trust Services, instead of Wilmington Trust, National Association, is the only amendment made to the List of Creditors.
