The following is a list of creditors holding the 20 largest unsecured claims against the above-captioned debtor and certain affiliated entities that have simultaneously commenced chapter 11 cases in this Court (collectively, the “Debtors”). This list has been prepared on a consolidated basis from the unaudited books and records of the Debtors as of August 8, 2008. The information presented herein shall not constitute an admission by, nor is it binding on, the Debtors. Moreover, nothing herein shall affect any Debtors’ right to challenge the amount or characterization of any claim at a later date.
