APPLICATION

1. The Applicant will make an application for:
 - (a) an Order dispensing with service on all creditors of the Applicant with the exception of those parties listed on the Service List attached to the Notice of Application;
 - (b) leave to bring this Application on short notice;
 - (c) an Order under the *Companies' Creditors Arrangement Act*, R.S.C. 1985, c. C-36 ("CCAA") in a form to be filed with the court; and
 - (d) such further and other relief as this Honourable Court may deem just.

2. **THE GROUNDS FOR THE APPLICATION ARE:**

Background

- (a) The Applicant is in the business of manufacturing of customized, made-to-order aluminum extrusions. The Applicant performs (a) casting services, in which aluminum ingots and alloys are melted into billets for extruding, (b) extrusion services, where aluminum is pushed through a die and formed into lineal shapes, and (c) further manufacturing processes, such as fabrication and painting;
- (b) The 2009 global recession has led to a pervasive decline in demand for aluminum extruded products, putting pressure on volumes and pricing as the industry continues to struggle with overcapacity. The Applicant has been equally susceptible to market forces. While the Applicant's business experienced significant losses prior to its acquisition by its current ownership in 2008, the current market environment and global recession have hampered turnaround efforts, making the Applicant's losses unsustainable;

- (c) Moreover, 6919464 Canada Inc., now continued as 3241715 Nova Scotia Limited (“324”) has demanded repayment of the sum of \$30,940,156.96 owing by the Applicant to 324. 324 is the sole shareholder of the Applicant;
- (d) In addition, one of the Applicant’s major suppliers in the past twelve months, Rio Tinto Alcan Inc. has issued a claim against the Applicant for unpaid accounts in the Superior Court in Quebec, which was received on January 20, 2010;
- (e) As a result of the Applicant’s financial difficulties, by a demand dated January 28, 2010, (the “Biscayne Demand”) Biscayne Metals Finance, L.L.C. (“Biscayne”), a senior secured creditor of the Applicant which is an indirect affiliate of the Applicant, has demanded that the Applicant honour its guarantee of certain obligations owed by 324’s parent, Arch Acquisition Inc. (“Arch”) to Biscayne;
- (f) The Applicant is insolvent and is a company to which the CCAA applies. The Applicant requires a stay of proceedings from its creditors in order to identify a going concern solution to its liquidity problems;

Plan Support Agreement

- (g) In order to facilitate a restructuring and enable a going concern solution, Biscayne has agreed to the terms of a Plan Support Agreement dated January 28, 2010 with the Applicant (the “Plan Support Agreement”). Biscayne has agreed to forbear the enforcement of its remedies as against the Applicant and Arch, provided that the Applicant undertake these proceedings and enter into the Plan Support Agreement;
- (h) The Plan Support Agreement provides that Biscayne will either: (a) fund a plan of arrangement and compromise, in form and substance satisfactory to Biscayne (the “Plan”); or (b) together with 324, offer \$25 million for substantially all of the assets of the Applicant, to be credited against the obligations of the Applicant to Biscayne and 324 (the “Credit Bid”);

Marketing Process

- (i) Before seeking court approval to either file the Plan or accept the Credit Bid, the Applicant intends to conduct a marketing process (the "Marketing Process") to determine if it is possible to identify a purchaser for the Applicant's assets and business that would make a higher and better offer for the assets of the Applicant. In such event, the Applicant intends to attend before the Court to seek approval of the additional steps necessary to determine the highest and best offer or series of offers, and complete the Marketing Process;
- (j) If, following the Marketing Process, no offer is identified that is higher and better than the Credit Bid, the Applicant intends to seek the Court's approval to either file the Plan or, if the Plan cannot be achieved, to accept the Credit Bid;

DIP Financing

- (k) In order to facilitate these CCAA proceedings, Biscayne has agreed to provide DIP Financing to the Applicant in the maximum principal amount of U.S. \$1,800,000 which will permit the Applicant to continue its operations and pursue a going concern solution. Approval of the proposed DIP Financing is sought herein to ensure that the Applicant has sufficient funding to continue operations through the CCAA proceedings;

Conclusion

- (l) If the requested relief is not granted, the most likely scenario is cessation of business and the liquidation of the Applicant's assets on a piecemeal basis. This result will have an immediate adverse impact on the Applicant's employees, suppliers, customers and secured creditors. The Applicant does not anticipate there being any value for unsecured creditors in a liquidation scenario;
- (m) the provisions of the CCAA, as amended, and the equitable jurisdiction of this Court;

- (n) the grounds as more fully set out in the Affidavit of Parminder Punia, filed herewith;
- (o) Rules 2.03, 3.02 and 14.05(2) of the Rules of Civil Procedure; and
- (p) such further and other grounds as counsel may advise and this Honourable Court may permit.

3. THE FOLLOWING DOCUMENTARY EVIDENCE WILL BE USED AT THE HEARING OF THE APPLICATION:

- (a) the Affidavit of Parminder Punia sworn January 28, 2010 and the exhibits annexed thereto;
- (b) the consent of FTI Consulting Canada Inc. ("FTI Canada") to act as Monitor;
- (c) The Pre-filing Report of FTI Canada in its capacity as proposed Monitor; and

- (d) such further and other evidence as counsel may advise and this Honourable Court may admit.
