6. Compensation of Managers. The Managers may be reimbursed for all expenses incurred in managing the Company and may, at the election of the Member, be entitled to compensation for management services rendered, in an amount to be determined from time to time by the Member.

7. Distributions. Distributions shall be made to the Member (in cash or in kind) at the times and in the aggregate amounts determined by the Managers and as permitted by applicable law.

8. Elections. The Managers may make any tax elections for the Company allowed under the Internal Revenue Code of 1986, as amended, or the tax laws of any state or other jurisdiction having taxing jurisdiction over the Company.

9. Assignability of Membership Interest. The economic interest of the Member in the Company is assignable, in whole or in part, either voluntarily or by operation of law.

10. Admission of Additional Members. One or more additional members of the Company may be admitted to the Company with the consent of the Managers and the Member.

11. Liability of the Member and the Managers. The Member and the Managers shall not have any liability for the debts, obligations or liabilities of the Company or for the acts or omissions of any other member, officer, agent, or employee of the Company except to the extent provided in the Act. The failure of the Member and the Managers to observe any formalities or requirements relating to the exercise of the powers of the Member and the Managers or the management of the business and affairs of the Company under this Agreement or the Act shall not be grounds for imposing liability on the Member or the Managers for liabilities of the Company.

12. Indemnification. The Company shall indemnify the Member and the Managers and those authorized officers, agents, and employees of the Company identified in writing by the Managers as entitled to be indemnified under this section for all costs, losses, liabilities and damages paid or accrued by the Managers (as the Managers or as an officer, agent, or employee) or any such officer, agent, or employee in connection with the business of the Company, except to the extent prohibited by the laws of the State of New Jersey. In addition, the Company may advance costs of defense of any proceeding to the Member or Managers or any such officer, agent, or employee upon receipt by the Company of an undertaking by or on behalf of such person to repay such amount if it shall ultimately be determined that the person is not entitled to be indemnified by the Company.

13. Resignation. A Manager may resign from the Company at any time for any reason or no reason, by prior written notice to the Member and the other Managers.

14. Dissolution.

14.1 The Company shall dissolve, and its affairs shall be wound up, upon the first to occur of the following: (a) the written direction of the Managers; or (b) the entry of a decree of judicial dissolution under N.J.S.A §42:2C-48 (a)(4) or (5). The death (or dissolution in the case of a member that is not a natural person), retirement, insanity, resignation, or bankruptcy of the Member or the occurrence of any other event that terminates the continued membership of the Member shall not cause a dissolution of the Company.

14.2 Upon dissolution, the Company shall cease carrying on any and all business other than the winding up of the Company business, but the Company is not terminated and shall continue until the winding up of the affairs of the Company is completed and a certificate of dissolution has been filed pursuant to the Act. Upon the winding up of the Company, the Company's property shall be distributed: (a) first to creditors, including the Member if the Member is a creditor, to the extent permitted by law, in satisfaction of the Company's liabilities; and (b) then to the Member. Such distributions shall be in cash or property or partly in both, as determined by the Managers.

15. Conflicts of Interest. Nothing in this Agreement shall be construed to limit the right of the Member or the Managers to enter into any transaction that may be considered to be competitive with, or a business opportunity that may be beneficial to, the Company. Neither the Member nor the Managers violates a duty or obligation to the Company merely because the conduct of the Member or the Managers furthers the interests of the Member or the Managers. The Member or the Managers may lend money to and transact other business with the Company. The rights and obligations of the Member and the Managers upon lending money to or transacting business with the Company are the same as those of a person who is not the Member or a Manager, subject to other applicable law. No transaction with the Company shall be void or voidable solely because the Member or the Managers has a direct or indirect interest in the transaction.

16. Governing Law. This Agreement shall be governed by, and interpreted and enforced in accordance with, the substantive laws of the State of New Jersey, without reference to the principles governing the conflict of laws applicable in that or any other jurisdiction.

17. Entire Agreement. This Agreement constitutes the entire agreement of the Member and the Managers with respect to the subject matter hereof and supersedes all prior agreements, express or implied, oral or written, with respect thereto. The express terms of this Agreement control and supersede any course of performance or usage of trade inconsistent with any of the terms hereof.

18. Amendment. This Agreement may be amended or modified from time to time only by a written instrument executed by the Member.

19. Rights of Creditors and Third Parties. This Agreement is entered into by the Member and the Company solely to govern the operation of the Company. This Agreement is expressly not intended for the benefit of any creditor of the Company or any other person other than the heirs, personal representatives, successors and assigns of the Member, the Managers and the Company. Except and only to the extent provided by applicable statute, no creditor or third party shall have any rights under this Agreement or any agreement between the Company, the Member and the Managers, with respect to the subject matter hereof.

duly executed this Second Amended and Restated Operating Agreement as of the date first set
forth above.
